REQUEST FOR EXTENSION OF TIME TO FILE APPEAL BRIEF

Applicant, by its attorney, hereby requests a one week extension of time in which to file its appeal brief. When this request is granted, the new due date for filing the appeal brief will be June 11, 2015.

As grounds in support of this request for extension of time, as Applicant advised in earlier requests, it was in the process of obtaining a consent to use and registration from the owner of the cited registration which is the basis for the final refusal and for this appeal. As of Friday, May 29, 2015, the owner of the cited mark decided not to grant such consent. Inasmuch as the Applicant is located in the United Kingdom and US counsel for Applicant was required to forward this new information as well as alternatives for proceeding to UK counsel, who in turn had to discuss the available options with Applicant, US counsel did not receive instructions to file the appeal brief

until June 2, 2015.

Because Applicant's US counsel needs additional time to prepare a fully developed and complete appeal brief, Applicant respectfully requests that the time for filing the appeal brief in this case be extended one week to and including June 11, 2015.

This request is not made for purposes of delay.

Respectfully submitted,

Fay Sharpe LLP
